BEE

IP CAMERA

Wireless Control Lighting System
Smart for Security And Safety

= BT Light + Wi-Fi + IP Camera

- ◆ Security
- ◆ Recording tool
- ◆ 360° panoramic view

Inter

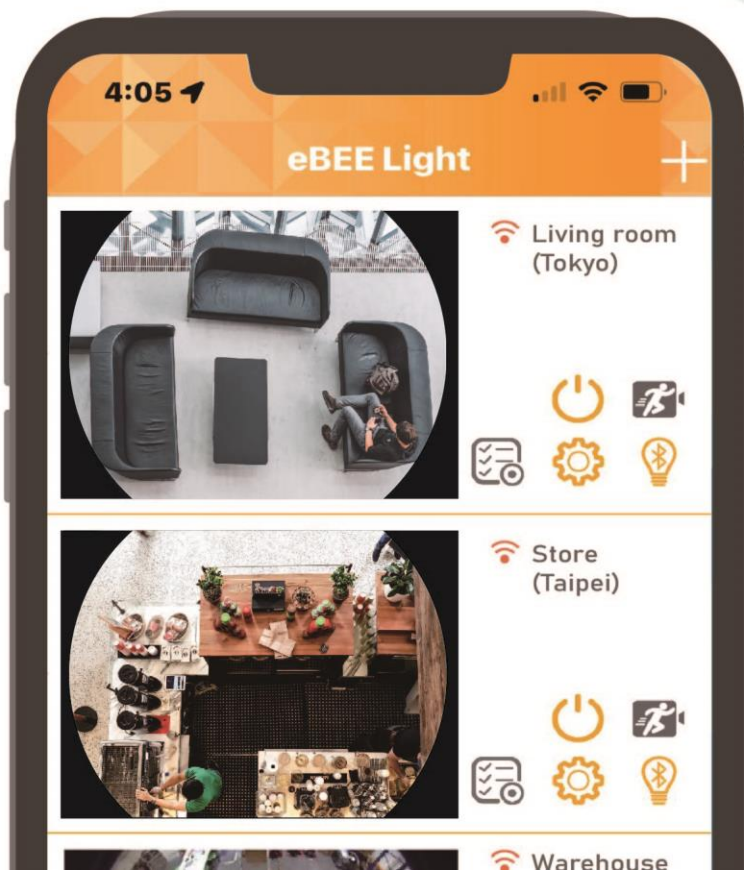

NEW YORK

MADRID

Wi-Fi IP Camera
+Gateway

eBEE system satisfies with the functions of control, monitor, or manage the multi-site lighting remotely.

Store

eBEE monitors different areas through the Internet.

IP Camera Lights

The various functions of IP Camera products include video storage, security, message, dimming and tunable white.

Save	HD quality recording tool with external Micro SD Card to download video.
Sensor	Detect and respond to changes in an environment by light and motion.
Lighting Control	Easy to dim or tune by APP.
Security	1. 360 degree panorama lens owns wider view than other general IP camera. 2. Communicates and records with build-in speaker and microphone.
